

## **Election Administration Reform Policies**

- 1. Election Day Registration**
  - Allowing voters to register and vote on the same day at their polling place.
- 2. Online Voter Registration**
  - Allowing voters to register or update their voter registration online from anywhere.
- 3. Interstate Voter Registration Information Exchange**
  - Allows for the seamless interstate exchange of voter registration information, creating an accurate database of eligible voters.
- 4. Accessible Voting Locations**
  - Polling places are located close to voters, have sufficient parking areas, and are accessible by the disabled.
- 5. Portable Voter Registration**
  - Voters can register at any clerk's office.
- 6. Straightforward Early Voting**
  - Removes barriers to early voting, making it more accessible to voters.
- 7. Straightforward, No-Excuse Absentee Voting**
  - Allows voters to easily cast absentee votes, without requiring the voter to state their reason for casting an absentee ballot. Expands early in-person absentee voting.
- 8. Voter Pre-Registration**
  - Makes voting easier for younger voters by allowing for pre-registration of 16 and 17 year olds.
- 9. Implementation of Vote Centers**
  - Enhances voter convenience and turnout by allowing voters to cast ballots at any vote center in their jurisdiction.
- 10. Polling Place Economies of Scale**
  - Reforms polling-place management, allowing for efficient allocation and distribution of resources to polling places.
